Kidney Disability MINI -DBQ (Disability Benefits Questionnaire)

Please answer the following questions related to your condition:

a) When were you first diagnosed with this condition?

b) What caused the condition (during your service)?

c) Do you have a treatment plan including taking continuous medication for the diagnosed condition?
If yes describe: ☐ Yes ☐ No

d) Do you have hypertension or any heart disease due to renal dysfunction or causes by any kidney condition? ☐ Yes ☐ No

Section- Renal dysfunction

(Please skip this section if you do not have this condition)

Do you have renal dysfunction? ☐ Yes ☐ No

Do you require regular dialysis? ☐ Yes ☐ No

Do you have a renal tubular disorder? ☐ Yes ☐ No

Do you any signs or symptoms of hydronephrosis (swelling of one or both kidneys) due to obstruction other than upper urinary tract urolithiasis (kidney stones)?

☐ Yes ☐ No

If yes, indicate severity:

☐ Requires catheter drainage

☐ Causing infection

☐ Causing impaired kidney function

☐ Other, please describe

Do you experience attacks of renal colic (sudden pain in the kidney area) due to obstruction other than upper urinary tract urolithiasis (kidney stones)?

☐ Yes ☐ No

If yes, please indicate frequency:

Occasional attacks of colic

Frequent attacks of colic

Section- Urolithiasis

(Please skip this section if you do not have this condition)

Do you now have or ever had kidney or urethral calculi (stones)?

☐ Yes ☐ No

If yes, please answer the following section:

Indicate current/ past location of calculi:

☐ Kidney ☐ Ureter

Do you have any treatment for recurrent stone formation in the kidney or ureter?

☐ Yes ☐ No

If yes, indicate treatment:

Diet therapy (If checked, specify diet)

Drug therapy (If checked, list medication):

Invasive or non-invasive procedures (If checked, indicate average number of times per year invasive or non-invasive procedures were required):

☐ 0 to 1 per year ☐ 2 per year ☐ >2 per year

Provide name of facility and dates of most recent invasive or noninvasive procedure:

Do you any signs or symptoms of hydronephrosis (swelling of one or both kidneys) due to upper urinary tract urolithiasis

☐ Yes ☐ No

If yes, indicate severity:

☐ Requires catheter drainage ☐ Causing infection

☐ Causing impaired kidney function

☐ Other, please describe

Do you experience attacks of colic (sudden pain in the kidney area) due to upper urinary tract urolithiasis (kidney stones)?

☐ Yes ☐ No

If yes, please indicate frequency:

☐ Occasional attacks of colic ☐ Frequent attacks of colic

Section- Urinary tract/ Kidney infection

(Please skip this section if you do not have this condition)

Do you have a history of recurrent symptomatic bladder or urethral infections diagnosed by a doctor?

☐ Yes ☐ No

If you had recurrent infections, indicate all treatment used:

☐ No treatment

☐ Long-term drug therapy (If checked, list medications):

☐ Hospitalization (If checked, indicate frequency of hospitalization):

☐ 1 or 2 per year ☐ >2 per year

☐ Drainage (If checked, indicate dates when drainage performed over past 12 months):

☐ Continuous intensive management (If checked, indicate type of treatment and medications used over past 12 months):

☐ Other, describe:

Kidney removal or transplant

(Please skip this section if you do not have this condition)

Do you have a kidney removed, eligible for a kidney transplant or ever had a kidney transplant?

☐ Yes ☐ No

If yes, please answer the following section:

Have you ever had a kidney removed? ☐ Yes ☐ No

If yes, provide reason:

☐ Kidney donation ☐ Due to disease ☐ Due to trauma or injury

☐ Other, describe

Is your renal disease course declined enough to warrant transplant consideration?

☐ Yes ☐ No

If yes, please provide the date your renal function was noted to have declined enough to warrant transplant consideration:

Have you ever had a kidney transplant? ☐ Yes ☐ No

If yes, complete the following:

Date of transplant:

Date you became eligible, if known:

Name of treatment facility, date of admission and date of discharge for transplant:

If you underwent kidney removal, is the remaining kidney affected by nephritis, infection or any other disease?

☐ Yes ☐ No

If you underwent a kidney transplant, is there nephritis, infection or any other disease of the transplanted kidney?

☐ Yes ☐ No

Kidney Disability MINI -DBQ (Disability Benefits Questionnaire)

Tumors and Neoplasms

(Please skip this section if you do not have this condition)

Do you currently have or ever had a benign or malignant neoplasm or metastasis to any condition?

☐ Yes ☐ No

If yes, complete the following section:

Is the neoplasm:

☐ Benign ☐ Malignant ☐ Active ☐ In remission ☐ Primary

Secondary (metastases), indicate the primary site

Have you completed or undergoing any treatment for benign or malignant neoplasm?

☐ Yes ☐ No; watchful waiting

If yes, indicate type of treatment: *If checked, describe:*

☐ Treatment completed

☐ Surgery

Date of surgery

☐ Radiation therapy

Date of most recent treatment:

Date of completion of treatment or anticipated date of completion:

☐ Antineoplastic chemotherapy

Date of most recent treatment:

Date of completion of treatment or anticipated date of completion:

☐ Any other treatment:

If checked, describe:

Date of completion of treatment or anticipated date of completion:

Do you have any scars related to this condition? If so, are any of the scars painful?

Describe in detail how does this condition affects your ability to work?

Additional Information

CERTIFICATION - To the best of my knowledge, the information contained herein is accurate, complete and current. I understand that overstating the severity of my conditions on official Disability Benefits Questionnaires (DBQs) could result in loss of benefits and/or be consider fraudulent. I am conveying the severity of my symptoms to the best of my ability on this personal assessment form. No one has advised me to misrepresent my conditions or overstate the severity of my symptoms.
