Knee Disability Mini-DBQ (Disability Benefits Questionnaire)

Please mark your diagnosed condition:

- ☐ Knee Strain
- ☐ Knee meniscal tear
- ☐ Knee posterior cruciate ligament tear
- ☐ Knee joint osteoarthritis
- ☐ Knee fracture (including patellar fracture)
- ☐ Tibia and/or fibula fracture
- ☐ Recurrent subluxation
- ☐ Patellar Dislocation
- ☐ Shin Splints
- ☐ Other, *please describe*
- ☐ Knee tendonitis/tendinosis
- ☐ Knee anterior cruciate ligament tear
- ☐ Patellar or quadriceps tendon rupture
- ☐ Knee joint ankylosis
- ☐ Stress fracture of tibia
- ☐ Recurrent patellar dislocation
- ☐ Knee instability
- ☐ Knee cartilage dislocation surgery
- ☐ Patellofemoral Pain syndrome

Which knee is service connected?

☐ Right Knee ☐ Left Knee ☐ Both Knees

Please answer the following questions related to your condition:

a) What caused the disability (during your service)? How long have you had this condition?

b) Did your condition get worse with time?

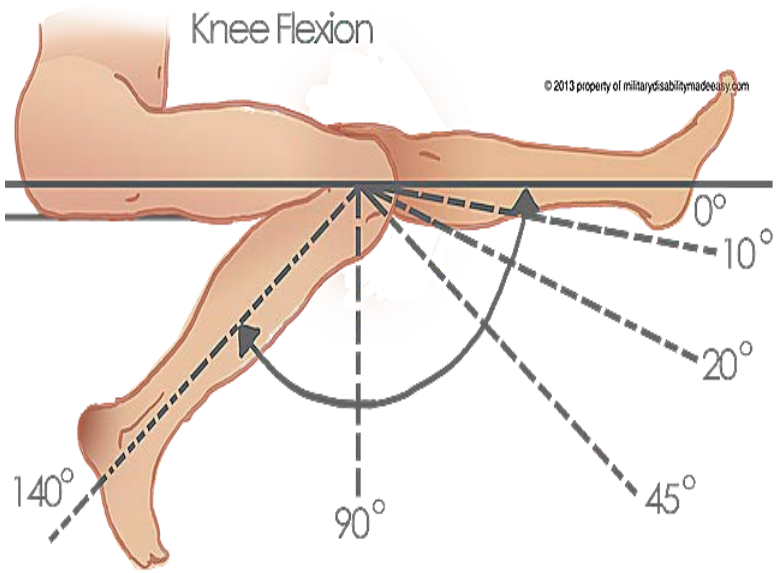

c) Do you experience flare-ups (worsening of your condition)? How do the flare-ups impact the function of your knee/lower leg (pain, limitation in movement, problems in sitting, walking etc.)?

Knee Disability Mini-DBQ (Disability Benefits Questionnaire)

Initial Range of Movement

RANGE OF MOTION: FLEXION Flex (bend your knee closer to your arm) your knee upwards (as shown)	
Left Knee	**Right Knee**
To which degree can you flex your knee? *(140 degrees is full range of motion)*	To which degree can you flex your knee? *(140 degrees is full range of motion)*
FLARE-UPS: Think about your knee disability over the past year at its worst during a flare-up *(Even if you only have severe episodes once a year or once every 6 months):* **REMEMBER this figure should be less than the one above**	
To which degree can you flex your knee?	To which degree can you flex your knee?

RANGE OF MOTION: EXTENSION extend (move your knee to become in line with your thigh) your knee (as shown)	
Left Knee	**Right Knee**
To which degree can you extend your knee? *(0 degrees is full range of motion)*	To which degree can you extend your knee? *(0 degrees is full range of motion)*
FLARE-UPS: Think about your knee disability over the past year at its worst during a flare-up *(Even if you only have severe episodes once a year or once every 6 months):* **REMEMBER this figure should be GREATER than the one above**	
To which degree can you extend your knee?	To which degree can you extend your knee?

Knee Disability Mini-DBQ (Disability Benefits Questionnaire)

Is there pain in these movements? If yes, does the pain occur while putting weight on the knees?

Do you have tenderness (pain on touching knee/around knee)? ***If yes, please describe the location of tenderness.***

Please check all factors that contribute to your disability:

- ☐ Less movement than normal ☐ More movement than normal ☐ Weakened movement
- ☐ Excess fatigability Incoordination (impaired ability to execute skilled movements smoothly)
- ☐ Pain on movement ☐ Swelling Deformity (disfigurement etc.)
- ☐ Atrophy of disuse (decreased muscle mass) ☐ Disturbance of locomotion (movement)
- ☐ Interference with sitting Interference with standing
- ☐ Other, *please describe*

Do you have now or ever had any of the following conditions? ***Check all that apply:***

☐ **Recurrent Patellar Dislocation**

If checked, indicate severity and side affected

☐ Right ☐ None ☐ Slight ☐ Moderate ☐ Severe
☐ Left ☐ None ☐ Slight ☐ Moderate ☐ Severe

☐ **Shin Splints**

Indicate Side affected: ☐ Right ☐ Left ☐ Both
Does this condition affect range of movement of knee? ☐ Yes ☐ No
Does this condition affect range of movement of ankle? ☐ Yes ☐ No
Describe current symptoms you are suffering because of your condition (e.g. pain, limited movement etc.):

Knee Disability Mini-DBQ (Disability Benefits Questionnaire)

☐ **Stress fracture of lower leg**

Indicate Side affected: ☐ Right ☐ Left ☐ Both

Does this condition affect range of movement of ankle? ☐ Yes ☐ No

Describe current symptoms you are suffering because of your condition (e.g. pain, limited movement etc.):

☐ **Chronic Exertional Compartment Syndrome**

Indicate Side affected: ☐ Right ☐ Left ☐ Both

Does this condition affect range of movement of ankle? ☐ Yes ☐ No

Describe current symptoms you are suffering because of your condition (e.g. pain, limited movement etc.):

☐ **Acquired or Traumatic Genu Recurvatum with objectively demonstrated weakness and insecurity in weight-bearing** Indicate Side affected: ☐ Right ☐ Left ☐ Both

☐ **Leg length Discrepancy (shortening of any bones of lower extremity)**

(If checked, provide length of each lower extremity in inches (to the nearest ¼ inch) or centimeters measuring from the anterior superior iliac spine to the internal malleolus of tibia)

Measurements: Right leg:
Left leg:

Section: Meniscal Conditions

Have you ever been diagnosed with a meniscus (semilunar cartilage) condition? ☐ Yes ☐ No

If yes, indicate severity and frequency of symptoms and side affected:

Right Side	**Left Side**
☐ No current symptoms	☐ No current symptoms
☐ Meniscal dislocation	☐ Meniscal dislocation
☐ Meniscal tear	☐ Meniscal tear
☐ Frequent episodes of joint locking	☐ Frequent episodes of joint locking
☐ Frequent episodes of joint pain	☐ Frequent episodes of joint pain
☐ Frequent episodes of joint effusion	☐ Frequent episodes of joint effusion
☐ Other, describe:	☐ Other, describe:

Knee Disability Mini-DBQ (Disability Benefits Questionnaire)

Have you ever had any surgical procedures performed? If so, specify procedure and also provide date of surgery:

Do you use any assistive devices as a normal mode of movement? ☐ Yes ☐ No

If yes, identify assistive devices used: *(check all that apply and indicate frequency):*

☐	Wheelchair	Frequency of use:	☐ Occasional	☐ Regular	☐ Constant
☐	Brace	Frequency of use:	☐ Occasional	☐ Regular	☐ Constant
☐	Crutches	Frequency of use:	☐ Occasional	☐ Regular	☐ Constant
☐	Cane	Frequency of use:	☐ Occasional	☐ Regular	☐ Constant
☐	Walker	Frequency of use:	☐ Occasional	☐ Regular	☐ Constant
☐	Other, describe	Frequency of use:	☐ Occasional	☐ Regular	☐ Constant

Please specify which condition do you use for assistive device(s)

Does this condition affect your ability to perform any type of occupational task? (such as standing, walking, lifting weights etc)? If so, explain in DETAIL:

Knee Disability Mini-DBQ (Disability Benefits Questionnaire)

Additional Information

CERTIFICATION - To the best of my knowledge, the information contained herein is accurate, complete and current. I understand that overstating the severity of my conditions on official Disability Benefits Questionnaires (DBQs) could result in loss of benefits and/or be consider fraudulent. I am conveying the severity of my symptoms to the best of my ability on this personal assessment form. No one has advised me to misrepresent my conditions or overstate the severity of my symptoms.
