☐ **Antihistamines**

If checked, list medications:

Specify condition used for:

Total duration of medication use in past 12 months:

☐ <6 weeks ☐ 6 weeks or more, but not constant ☐ Constant/near-constant

☐ **Immunosuppressive retinoids**

If checked, list medications:

Specify condition used for:

Total duration of medication use in past 12 months:

☐ <6 weeks ☐ 6 weeks or more, but not constant ☐ Constant/near-constant

☐ **Sympathomimetics**

If checked, list medications:

Specify condition used for:

Total duration of medication use in past 12 months:

☐ <6 weeks ☐ 6 weeks or more, but not constant ☐ Constant/near-constant

☐ **Other oral medications**

If checked, list medications:

Specify condition used for:

Total duration of medication use in past 12 months:

☐ <6 weeks ☐ 6 weeks or more, but not constant ☐ Constant/near-constant

☐ **Topical corticosteroids**

If checked, list medications:

Specify condition used for:

Total duration of medication use in past 12 months:

☐ <6 weeks ☐ 6 weeks or more, but not constant ☐ Constant/near-constant

☐ **Other topical medications**

If checked, list medications:

Specify condition used for:

Total duration of medication use in past 12 months:

☐ <6 weeks ☐ 6 weeks or more, but not constant ☐ Constant/near-constant

Have you had any treatments or procedures other than the medications in the past 12 months for exfoliative dermatitis or papulosquamous disorders?

☐ Yes ☐ No

If yes, check all that apply:

☐ **PUVA (photo-chemotherapy with psoralen and ultraviolet A) treatment**

If checked, list medications:

Specify condition used for:

Total duration of medication use in past 12 months:

☐ <6 weeks ☐ 6 weeks or more, but not constant ☐ Constant/near-constant

☐ **UVB (ultraviolet B phototherapy) treatment**

If checked, list medications:

Specify condition used for:

Total duration of medication use in past 12 months:

☐ *<6 weeks* ☐ 6 weeks or more, but not constant ☐ Constant/near-constant

☐ **Electron beam therapy**

If checked, list medications:

Specify condition used for:

Total duration of medication use in past 12 months:

☐ <6 weeks ☐ 6 weeks or more, but not constant ☐ Constant/near-constant

☐ **Intensive light therapy**

If checked, list medications:

Specify condition used for:

Total duration of medication use in past 12 months:

☐ <6 weeks ☐ 6 weeks or more, but not constant ☐ Constant/near-constant

☐ **Other therapy (specify treatment):**

If checked, list medications:

Specify condition used for:

Total duration of medication use in past 12 months:

☐ <6 weeks ☐ 6 weeks or more, but not constant ☐ Constant/near-constant

Do you have had any DEBILITATING episodes (impairment in strength or ability to perform tasks) in the past 12 months due to urticaria, primary cutaneous vasculitis, erythema multiforme or toxic epidermal necrolysis? ☐ Yes ☐ No

If yes, specify condition (examples above) causing debilitating episodes:

Skin Diseases Mini -DBQ (Disability Benefits Questionnaire)

Describe debilitating episodes (brief summary):

Number of debilitating episodes in past 12 months:

☐ None ☐ 1 ☐ 2 ☐ 3 ☐ 4 or more

Characteristics of debilitating episodes:

☐ Occurred despite ongoing immunosuppressive therapy

☐ Required treatment with intermittent systemic immunosuppressive

☐ Responded to treatment with antihistamines or sympathomimetics

Do you have had any <u>NON-DEBILITATING</u> episodes (no impairment in your strength or ability) in the past 12 months due to urticaria, primary cutaneous vasculitis, erythema multiforme or toxic epidermal necrolysis? ☐ Yes ☐ No

If yes, specify condition (examples above) causing debilitating episodes:

Describe debilitating episodes (brief summary):

Number of debilitating episodes in past 12 months:

☐ **None** ☐ **1** ☐ **2** ☐ **3** ☐ **4 or more**

Characteristics of debilitating episodes:

☐ Occurred despite ongoing immunosuppressive therapy

☐ Required treatment with intermittent systemic immunosuppressive

☐ Responded to treatment with antihistamines or sympathomimetics

Skin Diseases Mini -DBQ (Disability Benefits Questionnaire)

Please check if you have any of the following skin conditions:

☐ **Acne or chloracne** ***(check all that apply):***

- ☐ Superficial acne (comedones, papules, pustules, superficial cysts) of any extent
